

**Representation to the  
Voters of the City of Tulsa**

I, Tom Adelson, represent and warrant to the voters of the City of Tulsa that during my tenure as a Mayor for the City of Tulsa:

- (a) I will not support in any way the opening of the proposed south Tulsa bridge (the "Bridge") until the construction of all of the infrastructure improvements necessary to handle the additional traffic from the Bridge are completed, including, but not limited to, the completion of the following infrastructure improvements:
  - (i) the widening of Riverside from 121<sup>st</sup> Street to the Creek Turnpike; and
  - (ii) the widening of 121<sup>st</sup> Street from Memorial Avenue to Riverside; and
  - (iii) the widening of Yale Avenue from 121<sup>st</sup> Street to the Creek Turnpike, if necessary; and
  - (iv) all necessary intersection improvements for the above referenced street improvements; and
- (b) I will not support industrial traffic, including, but not limited to, 18 wheelers, to access or use Yale Avenue from 121<sup>st</sup> Street to the Creek Turnpike; and
- (c) I will not support in any way the Bridge connecting to 121<sup>st</sup> Street and Yale Avenue or any minor deviation or variance from that location. Notwithstanding the preceding sentence and subject to Paragraphs (a) and (b) above, I will be allowed to support the Bridge connecting to 121<sup>st</sup> and Riverside.
